This pin, introduced in the January issue of the Grand Lodge Bulletin and available from the Grand Lodge office, is based on an original design by W. Bro. Howard Langdon of Carstairs Lodge No. 20. We are also indebted to R.W.Bro. Deane Toews (106), Bro. W.G. Berg (88), Bro. Jim Colvin (124), Bro. W.D. Swiderski (88), Bro. W.M. Sanderson (20), W. Bro. Gordon Fisk (58), Bro. Alvar Lindroth (37), Bro Edwin Seigh (93) and two anonymous submissions of designs for a distinctive pin. We thank all these Brethren for their efforts and the interest shown.

CAMROSE AREA MASONS CELEBRATE 80TH ANNIVERSARY

The 80th Anniversary of Camrose Lodge No. 37 was celebrated at the regular meeting Thursday, November 12 and by a banquet and dance in the Hall on Saturday, November 14.

At the lodge meeting the Worshipful Master, W.Bro. Grattidge, had the minutes of the first meeting held on December 12, 1907, read. The minutes named the officers of the new Lodge and six candidates for initiation.

W.Bro. Stan Hambly, one of the senior Past Masters in the Lodge outlined some of the highlights in the 80 years of Lodge history. The Lodge helped in the formation of Lodges in Killam, Daysland, and Hardisty in 1909. The Lodge had occupied various buildings until 1968 when the Lodge purchased the building which it now occupies. In 1976, Melrose Lodge No. 62 in Bawlf amalgamated with Camrose Lodge, adding 33 members. There have been 460 members initiated into the Camrose Lodge during the 80 years.

Bro. H. Anderson was presented with a 25 year pin and certificate by R.W.Bro. K. Mingo. W.Bro. J. Barr was presented with his Past Master's certificate by R.W. Bro. Don Millar. W.Bro. D. Peterson presented 80th Anniversary coins to the Grand Lodge Officers, R.W.Bro. Miller and R.W. Bro. Mingo. W.Bro. W. French led the rededication ceremony in a very impressive manner.

Including wives, widows, and guests there were more than 100 in attendance at the banquet. With the dance following, it was a very enjoyable evening and a fitting climax to the 80th Anniversary Celebration of the Lodge.

Submitted by Bro. Arden Olsen.

QUESTION OF THE MONTH

Can an elected lodge officer be voted out of office by the members of his Lodge?

ANSWER TO JANUARY QUESTION OF THE MONTH

The English word 'Lewis' is a term belonging to operative Masonry, and signifies an iron cramp, which is inserted in a cavity prepared for the purpose in a large stone, so as to give attachment to a pulley and hook, whereby a stone may be conveniently raised and deposited in its proper position.

Extending the symbolic allusion further, the son of a Mason in England is called a 'Lewis', because it is his duty to support the sinking powers and aid the failing strength of his father or as has been expressed "To bear the burden and heat of the

day, that his parents may rest in their old age, thus rendering the evening of their lives peaceful and happy."

In Speculative Masonry in Britain, a Lewis is the initiated son of a Freemason whether he was born after or before his father became a Mason. The only privilege of a Lewis is to claim to be the senior of the candidates at his initiation ceremony. Under the Grand Lodge of Scotland a Lewis can be initiated at the age of 18 but this privilege does not routinely exist elsewhere.

R.F. Reynolds, Perfection Lodge No. 9.

FREEMASONRY AND CHRISTIANITY, ARE THEY COMPATIBLE?

A paper with the above title was presented as "A Contribution to Discussion" to the General Synod of the Church of England on July 13th 1987. The paper was developed by a team consisting of two members of the clergy who were Freemasons, three additional clergyman, and two women, one of whom chaired the Committee.

The committee condemned various areas of Freemasonry on the grounds it is religious but not Christian. Specifically identified were certain parts of the Royal Arch ritual.

The short (30 minute) debate at the Synod was generally favourable to Freemasonry although the arguments were based on many misconceptions caused by inadequate information and lack of knowledge

The Synod voted on a resolution endorsing the report and the resolution was passed by the large majority. The report is now "commended for discus-

sion by the Church" (which includes many Masons).

The United Grand Lodge of England has published a commentary on the events and challenges the issues raised on a 'paragraph by paragraph' approach.

The key part of the U.G.L. commentary is that Christian Freemasons know and accept that Freemasonry is not heretical and that the Royal Arch is not blasphemous.

The commentary stresses that requests for responses should be directed through the Grand Secretary.

LODGE NOTICES

The members of the Bulletin Committee together with Grand Lodge Officers have the opportunity to see all the Lodge notices. This certainly allows for comparison of their appearance, their content, their enhancements and their problems. It was decided that it would be appropriate to recognize some of the best notices and to comment generally on them.

The first thing that is obvious is that notices vary from typeset to hand duplicated through computer setup to "fill in the blanks by hand". They can contain information that varies from the interesting to the absolute minimum requirement.

Some do not even have what is essential for an official document to its members.

For those lodges with the best notices there has obviously been effort put into their production by many brethren through suggestions and help.

The absolute requirement of every summons is that it must have the Lodge Seal and be in a cover approved by the Grand Master (Const. 525 (3)). It should certainly contain information on the Secretary, the W.M. the Grand Master and his Senior Officers and the activities expected at the meeting. There is specified information required on applicants and candidates, as well as on Notices of Motion.

Surely this is not all, for this is sometimes the only form of communication between the Lodge and its membership.

As an example, a lodge notice is published on the opposite page which was voted by the Bulletin Committee, as the best typeset notice published in the Jurisdiction. It is appealing to the eye; it contains all essential information on an ongoing basis together with personal touches, and it communicates through a regular Master's Message. It also has been very well thought out with its columns having all the Past Masters' names contained on the shafts. It is printed in blue on a pale cream paper. (It has been reduced in size for reproduction here). In future issues of the Bulletin it is hoped to identify other excellent notices printed in different styles or methods. Congratulations to the brethren of Empire Lodge No. 63.

MASTER'S MESSAGE

Brethren:
Throughout the year we have heard the closing of our Lodge with "As we are about to quit this retreat of friendship and brotherly love nothing remains but to lock up our secrets in the safe and sacred repository of our hearts uniting with fidelity, fidelity, fidelity". I suppose that this is somewhat true with the last chapter or month as Master of Empire Lodge, as the book is quickly closing on my year I can honestly say that I have enjoyed the fellowship and the brotherly love which has taken place in the Lodge during my term of office. Much has happened and more will continue to happen as the command is handed over to the newly installed Master Elect. I would like to take this opportunity to thank all the Members and Officers of the Lodge who have helped me with my term of office. It is only the support and assistance that you have given me that made my year what it has turned out to be, and for this I say thank you.

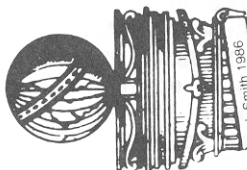

December is a month of celebration. It is a time of giving and sharing - a time of happiness and a time of reunion. It is a time of renewal - both spiritual renewal and Masonic renewal. To the new Officers of the Lodge, the duties in which you are about to engage can be as pleasurable or as onerous as you make them. If the task is one which you enjoy, and if you approach your position with the idea that you have a contribution to make to the Lodge and your Brethren, your Masonic term will be filled with rewards and benefits for both you and your fellow Masons. I would like to take this opportunity to wish each and every Brother and their families and friends who I have had the opportunity of meeting over the year a very Merry Christmas and Happy New Year. As this is my last message in my term of office I would like to sum up my year by saying:

I sought my soul but my soul I could not see.
I sought my God but He eluded me.
I sought my Brother and I found all three.

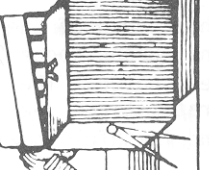

Fraternally,
G. A. Childs, W.M.

Worshipful Brother Arthur Day was presented with his 50 year jewel and a certificate of merit commemorating 50 years of dedicated service to North Star Lodge No. 4.

W.Bro. Day was initiated in 1936, served as W.M. in 1946, Secretary in 1963, and has been Tyler since 1968.

W.Bro. Day is shown with his 50 year Jewel and certificate. The Masonic cake was decorated especially for the occasion by Bro. Stephen McCulley, North Star's newest member.

DISTRICT NO. 12'S MEETING WITH THE LADIES

The District Deputy Grand Master of District No. 12, R.W.Bro. Don Maskell organized a special meeting and it is of interest to other District Deputies as well as to Worshipful Masters throughout the Jurisdiction. I quote from the correspondence regarding the meeting.

"Invitations were sent out to the Ladies of District 12 to attend this meeting and be prepared to ask any questions they liked with regard to Freemasonry.

The format of the meeting consisted of an introduction and welcome by the D.D.G.M. Three speakers were then called up to give the ladies some background on the Craft. The first, W.Bro. Marlin Sexauer, the W.M. of Whitecourt Lodge No. 153 spoke on "Brotherly Love", the second R.W. Bro. Clarence Comrie of Patricia Lodge, spoke on "Relief", and the third, R.W. Bro. Myron Lusk of Evergreen Lodge spoke on "Truth".

This was followed by a question period with a panel consisting of three Past Grand Masters, M.W. Bro. Sandy Milligan, M.W. Bro. Norman MacIver, and M.W. Bro. Gordon Thompson. The ladies were really interested and many questions were brought before the panel. Some 75 people were in attendance and following the meeting a number of those present asked for a repeat meeting later in the year, as they felt that many more would have been in attendance if they had known of it. Invitations were sent through the Lodges with their regular notices, and many of the ladies were not informed by their husbands that the meeting was for them."

PROVERB OF THE MONTH

MASONIC SPRING WORKSHOP

The Workshop information was published in the last Bulletin and each member in the Jurisdiction should now have received the application form with this notice. These were mailed to Lodge Secretaries in late 1987. If you have not sent in your application do so NOW to guarantee yourself an outstanding Masonic experience. Join with your brethren for a weekend of Masonic activity. There are topics to interest all. The theme speaker will stimulate thought and there will be opportunities to discuss the theme. There will also be workshops, bookstore, laughter, and the meeting and making of friends. The all inclusive price is small for two nights and all your meals.

SEE YOU AT THE WORKSHOP IN BANFF.

FROM AFAR

As the builder uses his tools to fashion a beautiful structure, so does Craft Masonry help us to fashion the individual man and if we were more concerned with the manhood of the brother, we would have less difficulty with the brotherhood of man.

W.H. Moran, Indiana Freemason.
